

## Celebrate Recovery at SouthCrest Church Covid-19 Update

We are so thankful that we can begin to have our Tuesday evening gatherings once again. It has been too long. Your safety is a top priority for us so, we wanted to fill you in on a few things that may look a little different.

- We will not serve food or coffee at this time. However, please feel free to bring your own coffee!
- We will not offer childcare or Celebration Place at this time.
- Masks are welcome, but not mandatory. Please make sure to keep a safe distance of 6'
- Worship seating will be socially distanced. We will still be able to worship together, just not very close together.
- Hand sanitizing stations will be available. We will also have doors and other common surfaces cleaned before you arrive.
- We will not be passing baskets, but will have a donation box if you choose to support Celebrate Recovery financially.
- Small group circles will be a little bigger in size, but not bigger in number. This way we can share in a safe distance.

### SOME THINGS HAVE NOT CHANGED. HERE ARE A FEW THINGS THAT WILL BE FAMILIAR:

- A welcoming group of people that will never judge you. . . They will accept you for who you are and what you struggle with.
- We will still celebrate our milestones with chips!
- We will have awesome testimonies from people that have experienced major life change.
- We will have a safe place to share and to meet other people that we can connect with and learn from.
- Everyone is welcome.

Lastly, we want to remind you that Celebrate Recovery is for anyone with a hurt, habit, or hangup. A LOT of us are currently struggling with fear, anxiety, depression, and loneliness. We weren't designed to be this way. Come find help on Tuesday nights.

**We look forward to seeing you!**
